## **2008 Wellpride AEC Qualifications Announced**

For everyone aiming for the 2008 Wellpride USEA American Eventing Championships, the qualifications are now available on the USEA website, [www.useventing.com](http://www.useventing.com)! Just click on the [Wellpride AEC button](#) on the right side of the home page and follow the links. There are two items referring to the qualifications. The first, called [2008 Wellpride AEC Complete Qualifications](#), gives the qualification information in its entirety. The other, called [2008 Wellpride AEC Qualifications Summary](#), is to be used only as a quick reference guide.

There have been several significant changes to the qualifications from those used in 2007, so those who have competed at the AEC in the past should make sure to read the new qualifications closely. Also, two new divisions have been added—the Beginner Novice level (previously run as one division) has been split into three divisions: Amateur, Junior, and Horse.

In order to ensure that horse and rider are properly qualified and entered in the correct division in the 2008 Championships, please reference the Complete Qualifications document and call or email the USEA offices with any questions.

The 2008 Wellpride AEC will be held September 10-14 at Lamplight Equestrian Center in Wayne, Illinois where \$60,000 in prize money and more than \$100,000 in prizes will be on the line. For more information on the event, visit the AEC section of the USEA website or go to [www.aecatlamplight.org](http://www.aecatlamplight.org). To find out more about Lamplight, visit their website at [www.lamplightequestrian.com](http://www.lamplightequestrian.com).

See you in September!
