

Area 3 Adult Riders – Low Score Awards Program

- Each member of the Area 3 Adult Riders is:
 - Eligible to win up to 2 low score prizes and is eligible for the year end drawing
 - Eligible to qualify for the year end drawing by having the low score at any Area 3 recognized event (includes all Area 3 events regardless if they have a low score prize).
- Not all Area 3 events have a low score prize. However, if you have the low score at one of the events without a prize you are still eligible for the year end drawing.
- There will be a year end drawing from all the low score winners. Your name can be entered in the drawing a maximum of two times based on your wins.
- For events at the Florida Horse Park - all low score winners at these events will be put in a drawing at year-end for a free entry.
- To redeem awards for Poplar Place Farm - send Donna Miller an email with your address so she can forward a coupon to you.
