- This Bulletin Board is intended for posting questions and answers pertaining to activities within Area III. You are encouraged to use other, more robust bulletin boards (such as the COTH Discussion Forums) for general discussions.
- If you have an extra spot in your trailer or need a trailer spot to get to an event; have an extra hotel room or want to share a room with a fellow eventer; looking for information specific to our Area or similiar types of inquiries, you are welcomed to post here.
- This is a "Poor Man's" Bulletin Board. It operates the same as the posting of classified ads and other items - it requires human asistance and does not happen instantaneous. However, information will usually be posted within a day of submission. (Real bulletin board software costs and free software isn't secure. So, this is free, secure and a service to the Area III membership.)
- Your name, email, USEA number and phone number must be included on items to post. Contact information may be omitted from items seeking general information as long as no reply is requested.
