

“Area 3 eNews” - Email Subscriber List

We offer Area 3 USEA members the opportunity to "subscribe" to an Area 3 email list. The email subscription list is used to send news and updates related to USEA Area 3 events and sponsored programs, such as Adult Riders and Young Riders. Subscribing for this service is strictly voluntary. Information will continue to be posted on the website.

There is no planned schedule of when emails will be sent, just on an "as needed" basis. Emails will not be sent for advertising, such as the classifieds, and the subscriber list will not be provided to advertisers.

You must have a current USEA membership to remain on the email list. If you are using spam filtering, please add mail@usea3.org to your safe list.

Comments and questions can be emailed to areaiii@hotmail.com.
