PINETOP FARM, THOMSON GEORGIA**

"Safe Riding is NO ACCIDENT"

Attention all Young Riders and Parents:

It's summer camp time again! Come join the fun at Pinetop Farm in Thomson, Georgia June 22-26, 2008. Our theme this year will be "Riding can be safe and fun!" Come and join us for a week of instruction with top riders in the country, Kyle Carter and Mike Winter both members of the 2008 Olympic team representing Canada in Beijing China. Hilda Hick Donahue and Tiffani Loudon-Meetze.

Mounted instruction will include all 3 eventing phases along with many unmounted sessions given throughout the day. All will be taught in a fun way and if that isn't enough ...make new friends, find out what other YR's are doing. Make new friends when competing in Monday's Musical Dressage Competition with great awards! Evening activities will include Mr. Glenn Wilson's famous Country Hoe Down and cow paddle award!

Official check-in will be Sunday June 22 with check-out Friday morning June 27. All campers and horses need to be picked up no later than noon on Friday unless staying for the NAYRC/Team Challenge clinic that follows. We have a minimum age limit of 12 years old and riding experience is required. Levels taught will be Beginner Novice thru Intermediate. The camp Registration price is \$650. This includes all mounted instruction, meals and snacks, stabling (1 horse), grounds fee's, unmounted clinics, t-shirts and awards, all for 4 days and 5 nights. Parents are responsible for overnight arrangements. Tents, RV, campers or trailers are allowed. Hookups are limited so register early. If your child is not self-sufficient please plan to attend camp with them.

For safety reasons we require all underage campers not leave Pinetop Farm with the exception if with their parent or designated adult chaperone. We request

campers not bring cars to camp. All motorized vehicles are subject to USEA rules while on the property.

This is a volunteer run camp. Our goal is to provide a fun, safe and informative time for the riders. They will be expected to follow rules for their own safety and to be respectful of Pinetop Farm and the parents that are volunteering. We have 1 parent per every 4 riders. The safety of the riders is our utmost importance and therefore the rider to adult ratio is critical. Please let us know if you would like to be a parent volunteer....we can always use the help! This is a great opportunity to meet other parents of YR'S!
