

## **CLINIC REFUNDS**

Policy on refund requests for clinics is as follows: If you have to miss a clinic for an excusable reason (as determined by the Young Rider Coordinator) such as an illness, you may request that your clinic fee be put towards your fundraising responsibilities for the year or your dues.

Unfortunately, we are unable to provide cash refunds after the closing date since we base our fees on a cost per rider basis and cannot afford to lose money on our clinics.
