Please bring coggins and health certificate to enter Florida. Must wear helmets at all times.

Need full payment for a confirmed spot.

Schedule will be determined closer to the date but be prepared to ride at any time on Friday.

Andrew has done this clinic every year now for ten years and most of you know him as a great adult rider instructor who knows how to help the event rider and horse get the best out of themselves.

Andrew rode for years at the Grand Prix dressage level but now devotes most his time and knowledge to event horses and their riders. He is great at evaluating the needs of both horse and rider.
